

Values are principles that guide our thinking and our behavior .

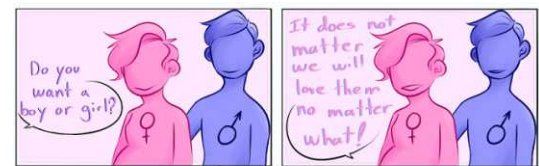

**Our values define us..**

ALL HUMAN BEINGS ARE BORN FREE AND EQUAL IN DIGNITY AND RIGHTS. THEY ARE ENDOWED WITH REASON AND CONSCIENCE AND SHOULD ACT TOWARDS ONE ANOTHER IN A SPIRIT OF BROTHERHOOD.

Equality is about 'creating a fairer society, where everyone can participate and has the opportunity to fulfil their potential by eliminating prejudice and discrimination.

Diversity literally means difference. When it is used as a contrast or addition to equality, it is about recognising individual as well as group differences, treating people as individuals, and placing positive value on diversity in the community.

If it didn't matter then, why does it matter now?

## What is a Good School? Where there is equality...

**Why is equality and diversity important? Equality and diversity is becoming more important in all aspects of our lives and work for a number of reasons:**

- We live in an increasingly diverse society and need to be able to respond appropriately and sensitively to this diversity. Our school setting reflects this diversity around race, religion & belief, disability, caste, color, gender reassignment and age.
- Our school believes that successful implementation of equality and diversity in all aspects of work ensures that colleagues, staff and students are valued, motivated and treated fairly.

## Expectation from Parents...

- Teach them how to empathize with others.
- Walk the talk.
- Capitalize on any teaching opportunity.
- Answer any questions truthfully. Keep any answers age appropriately, but do not side-step the issue.
- Encourage them to celebrate diversity.
- Teach them how to create healthy boundaries.
- Stop using gender as an excuse for misguided behavior.
- Expose your child to a variety of role models.
